

**Dear legal shareholder and co-owner of Canada,
as a Canadian citizen or Indigenous person
and small business owners,**

(yes, that's you!)

We are all legal shareholders and co-owners of Canada.

Ever wondered what it would be like to stand at the crossroads of history with those who want to usher in a new era of peace and good governance to protect our children's future, this country, our economy and businesses that have suffered?

This is your chance!

On Parliament Hill - in Ottawa, ON - from July 30th to August 1st 2022, celebrate with your fellow Canadian citizens and Indigenous Peoples, as legal shareholders and co-owners of the Crown of Canada!

Stand in honor of the Two Row Wampum Treaty and help instill respect and peace within all our communities!

Stand up for your collective political and civil rights and SHIFT the power from the political elites to we, the people as informed and engaged citizens!

STAND UP FOR FREEDOM AND DARE TO DREAM TO A BETTER WAY FORWARD!

We would love to count on your support for this historical gathering. Please RSVP on our Facebook page and share this important invitation with all your members, followers, colleagues, friends and family!

The time has come for Canadians and Indigenous Peoples to step into our Constitution, legally and lawfully... will you be among us?

Will you help sponsor this historical event or donate to ensure its success?

Join us and be counted!
